RESTRICTED ACCESS OF EQUIPMENT AND DOCUMENTATION NOTICE

This Restricted Access of Equipment and Documentation Notice is to inform (licensee name) that access to equipment and related documentation supplied by Teko Telecom S.p.A. is to be restricted to only authorized users by means to ensure the security of the equipment and confidentiality of related documentation at all times, and only designated professionals shall be allowed to maintain or service the equipment. The user manual shall be held confidential because it is very technical, and only available to professional technicians designated by the licensee. Tampering with the internal parts of these non-consumer type devices by removal of external covers can damage or destroy the equipment, therefore it is necessary that the device be kept in a restricted location, and inaccessible to the general public. This notice includes, but is not limited to, Schematic, Block Diagrams, User Manual, Tune Up information, and Internal Photos.
